

PUT A CHALICE IN HIS HANDS

The Society of St. Peter the Apostle has a program that makes it possible for you to put a chalice in the hands of a mission priest in the developing world.

The Eucharist is so central to our faith. The Bread of Life and the Blood of Christ for which the people hunger.

After years of theological studies and preparation, the only scarcity seems to be in the material resources needed to complete the liturgical prayer of the priesthood and the faith community as they gather to celebrate the Eucharist.

How may you participate?

Through a donation of \$425.00, you may purchase a chalice, have it engraved, and forwarded to a mission priest. This chalice may be inscribed with your name or with the name of a living or deceased relative or friend.

A souvenir plaque will attest to your involvement as a partner in mission.

If you wish to participate in the Chalice Program, please complete the coupon below and send it with your cheque to the address shown below.
